5. Student completed the **Assignment 1 Project**. – Unit 11 Sewing Equipment
 - Watched **story telling videos**
 - Porcupine Quilling
 - Jingle Dress
 - Moose Hair Embroidery/Caribou Hair Tufting
 - Art with Hide
 - The student is required to do a major project it can be from a pattern of your own design. The project must be completed by the student and be approximately **15-20** hours of work.
 - Explain why you made the choice for your project.
 - Take a picture of the commercial pattern or the design project you are doing.
 - Take a picture of all necessary resources and describe what they are used for. (Type of yarn(s)/textile(s), needles, measuring tape, etc.) **OR** list and describe the resources needed to complete this project.

- Take pictures demonstrating **three** techniques required for the project, these can be at the introductory level or higher. You must **describe** how to do the technique.
- Take pictures of your project from start to finish. **You must be in all the pictures.**
- Take pictures showing safety and proficient use with all sewing equipment, pressing equipment, cutting tools, and sewing notions.
- Sending photos can be a problem! You may wish to optimize the pictures before making a PowerPoint or Word document, or you can convert the PowerPoint or Word document to PDF to increase the speed of uploading.
- All pictures must be **clear, not blurry** and **incorporated into one document** (PowerPoint, Word document, video or other media). **The pictures must not be submitted individually. Please note the student must be shown in the pictures.**

Make sure that you refer to the Marking Rubric
