### Chapter 8, Lesson 3: The Manitoba Act - Key

The *Manitoba Act* represents a compromise among the various parties (the Canadian government, the Métis, Francophones, and English-speaking colonists).

In the left-hand side of the chart below, identify the terms of the *Manitoba Act*. Then, in the right-hand side of the chart, identify which of the groups involved benefited from each of these terms.

Terms of the Manitoba Act	Which group benefitted from this?
<ul style="list-style-type: none"><li>- Manitoba would have its own provincial government.</li><li>- Both French and English would be used in the government and courts.</li><li>- Manitoba would send four elected members to the House of Commons and two members to the Senate in Ottawa.</li><li>- There would be two funded public school systems: one for Protestants and one for Catholics.</li><li>- An area of land would be set aside for the Métis</li><li>- Natural resources in the region would be controlled by the federal government.</li></ul>	<ul style="list-style-type: none"><li>- all groups in the province, Canadian government</li><li>- Métis, Francophones, English-speaking colonists</li><li>- all groups in the province</li><li>- Métis, Francophones, English-speaking colonists</li><li>- Métis</li><li>- Canadian government</li></ul>
