Georeality: Immigrants in France

Liberty, Equality, and Fraternity

Push/Pull Factors

Using the pages in the *Understanding Nationalism* textbook, classify the historical, economic, political, and social push/pull factors from the reading, and record them in the organizer below. Then, respond to the question at the bottom of the page.

Type of Factor	Push	Pull
Historical		
Economic		
Political		
Social		

Reflect on your notes and respond.

What are some of France's pull factors that cause people to immigrate (leave France) to another country?

What are the push factors that tend to cause people to emigrate to France from their home country?

Personal Connection: What push and pull factors cause people to immigrate to Canada? If you know anyone who immigrated to Canada, what were their push and pull factors? What caused your family members to come to Canada?
