

3.3.1 Notebook Organizer, Textbook pages 116, 124 to 127

Using the pages in your *Understanding Nationalism* textbook, complete the 3.3.1 Notebook Organizer using the table below, and respond to the question at the bottom.

	Foreign Policy	Nationalism	Domestic Policy
Define each term in your own words.			
How is each term related to each other? (How are foreign policy and nationalism related? What is the relationship between domestic policy and foreign policy?)			

Example: Foreign Policy and Afghanistan

Using the pages in your textbook and the debate over Afghanistan as an example, apply the terms to each of the nations.

	Foreign Policy	Nationalism	Domestic Policy
Afghanistan			
Canada			
United States/Other Nations			

Before we begin our study of World War I and national interests, reflect on the following question.

- How do nations balance their national interests in the face of conflict?
