

3.5 Notebook Organizer, Causes of World War I: MAINE

Take notes using the organizer below and content from course page 3.5. Ensure you have a clear understanding of the MAINE causes of World War I before responding to the question at the bottom of the page.

MAINE	Definition (in your own words)	Explain at least three reasons why/how this cause led to World War I.
Militarism		
Alliance System		
Imperialism		
Nationalism (Ultrnationalism)		
Economic Interests		

Review course content page 3.5 and respond to the questions below.

1. Out of the **MAINE** causes of World War I, which one cause do you believe had the greatest influence on the nations involved? Explain why, and provide examples to support your position.

2. Consider today's current national and international climate. Which **MAINE** cause has the greatest influence on nations today? Explain why and provide examples to support your position.
