

3.6.5 Notebook Organizer, Textbook pages 117 to 119

Take notes using the organizer below, referring to content page 3.6.5 and the pages in your *Understanding Nationalism* textbook, and then answer the question below.

Use the chart below to take point form notes for each nation and their national interests during the Paris Peace Conference.

	National Interest	Rationale (Explain why this is their national interest.)
United States		
Great Britain		
France		
Italy		
Canada/Other Dominions		

Using the chart below, explain each clause in the Treaty of Versailles in your own words, and explain whose national interest it reflects, and whether it was fair to Germany.

Selected Clauses	Whose national interest does the clause reflect?	Is this clause a fair punishment for Germany? Why or why not?
War Guilt Clause		
Financial Clauses		
Military Clauses		
Territorial Clauses		

Reflect on your notes, and respond to the following question.

- Review the clauses of the peace treaty. Given the events and costs of World War I, what do you believe would be a reasonable peace treaty? Do you agree with the “Big Four” that Germany was to blame for WWI? Why or why not?
