

4.6.1 Notebook Organizer, Textbook pages 154 to 169

Record information from the *Understanding Nationalism* textbook using the organizer below, and then respond to the Reflect section below.

Naming the Crimes	Your Notes/Current Examples
How does ultranationalism lead to crimes against humanity?	
How do laws encourage ultranationalism?	

"Hate has nearly limitless ability to dehumanize its victims, shutting down the most basic human capacities for sympathy and compassion". Rush W. Dozler Jr. in Why We Hate, 2002

Examples of Crimes Against Humanity	How does this example reflect characteristics of ultranationalism?

Review pages 162-163 in your *Understanding Nationalism* textbook, and reflect on your notes and respond.

1. Based on your readings, when the atomic bomb was dropped on Japan, was this action more a response to ultranationalism, or an act of ultranationalism?
2. Consider the *Understanding Nationalism* textbook was published in 2008. What crimes against humanity have occurred since that time? How do these recent crimes show characteristics of ultranationalism?
