

7.5.1 Notebook Organizer, Textbook pages 266 to 269

Using pages 266 to 269 in your textbook *Understanding Nationalism*, explain the following:

- each of the contemporary global issues (what are they? How are they characterized?)
- what organizations or actions are being used to address these issues
- what are continuing issues into the future?

| Climate Change | Spread of Disease | Access to Water |
|----------------|-------------------|-----------------|
