

How to Find the Writing Sections

Remember that you MUST complete the Writing Sections along with the Unit Sections before doing any Unit tests.

Units 1 through 6 each have a corresponding Writing Section.

Method 1: Look at the left hand panel of your Table of Contents.

The Writing section will be found directly under the Unit.

The screenshot displays a course interface. On the left, a navigation panel lists various site elements. Under the 'Current course' section, 'Unit 1' and 'Writing 1' are listed. A green arrow points to 'Unit 1', and a red arrow points to 'Writing 1'. The main content area shows the 'Unit 1' section expanded, listing various activities and assessments, each with a progress indicator (checkbox or icon).
