Presentation Rubric		Exceptional 95-100%	Admirable 75-94%	Acceptable 55-74%	Needs Improvement Under 55%
Organization 25	Extremely well organized; logical format that was easy to follow; flowed smoothly from one idea to another and cleverly conveyed; the organization enhanced the effectiveness of the project	Presented in a thoughtful manner; there were signs of organization and most transitions were easy to follow, but at times ideas were unclear	Somewhat organized; ideas were not presented coherently and transitions were not always smooth, which at times distracted the audience	Choppy and confusing; format was difficult to follow transitions of ideas were abrupt and seriously distracted the audience	
Content Accuracy 25	Completely accurate; all facts were precise and explicit	Mostly accurate; a few inconsistencies or errors in information	Somewhat accurate; more than a few inconsistencies or errors in information	Completely inaccurate; the facts in this project were misleading to the audience	
Research 25	Went above and beyond to research information; solicited material in addition to what was provided; brought in personal ideas and information to enhance project; and utilized variety of resources to make project effective	Did a very good job of researching; utilized materials provided to their full potential; solicited adequate resources to enhance project; at time took the initiative to find information outside of school.	Used the material provided in an acceptable manner, but did not consult any additional resources	Did not utilize resources effectively; did little or no fact gathering on the topic	
Creativity 25	Was extremely clever and presented with originality; a unique approach that truly enhanced the project with relevant images and visuals.	Was clever at times. Thoughtfully and uniquely presented and included some visuals.	Added a few original touches to enhance the project but did not incorporate them throughout. Included one or two visuals.	Little creative energy used during this project; was bland, predictable, and lacked “zip” No visuals were included.
