

## Practice Assessment

*Practice* provides practice and allows you to self-reflect on your conceptual understanding of the Lesson skills. You will mark your work for *Practice* in each *Workbook* according to the following rubric.

| Category | Strategy and Procedures                                                                                            | Response to Questions                                                                                                                            |
|----------|--------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
|          | <i>I have...</i>                                                                                                   | <i>I have...</i>                                                                                                                                 |

Complete *Practice* exercises using your best work, showing all relevant steps needed to arrive at your solution. Refer to the *Module* to review lesson instructions. Contact your teacher for assistance or clarification as needed, or to investigate the topic further.

Check and correct your work using the solutions provided in *Appendix* in the *Module*.

*Practice* is worth 8 marks; your mark can help you gauge your understanding of *Lesson* material.

After you have assessed your work, reflect on your understanding of the concepts addressed in the *Practice* exercises in the table provided.

## Practice 3.2C

Now, try what you have learned so far. Turn to pages 354 to 356 in *Pre-Calculus 12* and do questions 1a to 1d, 3e, 4a to 4d, and 9a to 9d.

You may check your practice work by turning to the *Appendix* section of the *Module*.
