## **A Community Survey**

## Conduct a survey!

Pose these questions to at least five people (parents, friends, other people you know). As you ask each question, place a check mark in the box that matches the person's answer. When you have finished, tally the responses.

How often do you see people showing respect in your community?

Don't Know	Almost Never	Sometimes	Almost Always
Total:	Total:	Total:	Total:

How often do you see people including others in your community?

Don't Know	Almost Never	Sometimes	Almost Always
Total:	Total:	Total:	Total:

Do you agree or disagree: People in our community would help someone new feel accepted.

Don't Know	Almost Never	Sometimes	Almost Always
