Body Verse

During Reading

Choose **one** of the poems and answer the following questions.

1. How did the poem and illustration make you feel about the topic they represented?

They made me feel uncomfortable because it makes fun of the germs that are found naturally in your body.

2. Write a brief summary of the poem. (What is it about?)

Good Night - is about bedbugs biting at night
Lovely - is a description of some internal body organs
Mary Had a... - is about a parasite in Mary's stomach

After Reading

1. How are the three poems the same and different?

They all look at the body in different, but humorous ways, the rhyming patterns are different.
