

Unit 4

Name: _____

Date: _____

Unit Opener

Games Graphic Organizer

1. Read over the list of games.
2. Decide on at least **five** different categories that the games could be divided into.
3. Type the category names at the top of the chart.
4. Sort the games into the categories.
5. Type the games into the proper categories.
6. Add any games that you know that are not already on the chart.
7. If you do not know the game, look it up on the internet or ask your teacher.
