Effective Sentences

Nunavut's Coat of Arms

Write two examples from the report you read in the **Symbols of Canada** lesson for each of these categories.

Sentences that are different lengths:

1. A coat of arms is a symbol; The animal on the left is a caribou; This lamp provides light during the dark winter.
2. These two animals represent all the sea and land animals of Nunavut that have provided the people with food, shelter, clothing, and tools; The North Star at the top of the circle has guided people in the Arctic for thousands of years.

Sentences that start in different ways:

1. The unusual animal...; These two animals...; Inside the blue and gold circle...; Inuit hunters built these markers...; The Inuktitut words...
- 2.

Sentences that use conjunctions (linking words):

1. The star also represents the Elders, who lead and advise the people of Nunavut.
2. The crown on top of the iglu represents the Queen and shows that Nunavut is part of Canada.
