

Unit 6

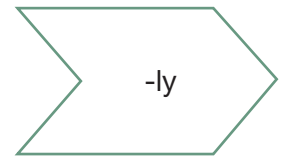

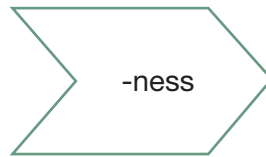

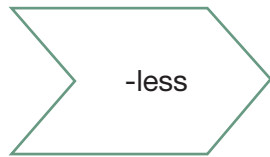

Name: _____

Date: _____

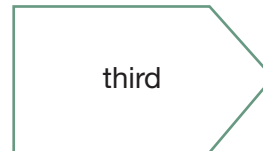

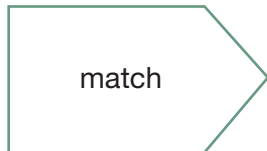

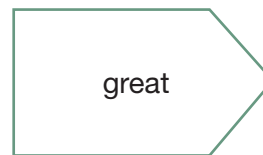

Suffixes Have Meaning

- Complete the chart for five of the words below. Record the root of each word and what it means in the first column. Then, in the second column, record the word you created and what it means.

Suffixes

Root Words

| Root Word | Word with Suffix |
|------------------------|--------------------------------|
| Example: Help – to aid | Helpless – without help or aid |
| | |
| | |
| | |
| | |
| | |

2. Record your ideas about what *-less*, *-ness*, and *-ly* mean when added to a root word.
