

How to draw in ABCya.com

1. Go to the website <http://www.abcya.com/>.
2. Select “Paint” in the lower left corner of the webpage.

3. You will be taken to the ABCya Paint screen. There are many different tools you can use here to create your drawing.

4. After you have created your picture, click “Save.” Give your picture a name that is easy to remember, and save your picture on your computer’s desktop.
