

Vocaroo Directions

Vocaroo

Vocaroo - The premier voice recording service.

[Or upload?](#)

- 1) Go to the Vocaroo web site: <http://www.vocaroo.com>
- 2) Check your headphones or computer internal microphone settings to make sure your volume is set.
- 3) Click to record

- 4) Click "Allow" to give Vocaroo access to your microphone

- 5) Start recording. When you are finished your recording, "Click to Stop"

- 6) Listen to your recording. If you are pleased with the quality of your recording, select “Click here to Save”

- 7) Copy the Vocaroo web link and paste it into an email and send it to your teacher.
