

Practice – Part 2

Instructions: Answer each of the following practice questions on a separate piece of paper. Step by step solutions are provided under the Solutions tab. You will learn the material more thoroughly if you complete the questions before checking the answers under the Solutions tab in Moodle.

1. Use the table of values to answer the following.

x	y
0	0
2	15
4	30
6	45
8	60

- a. Determine if the set of data represents direct variation.
- b. Draw the graph.

- c. Calculate the slope.
