

Unit 6

Name: _____

Date: _____

Lost and Found Questions

Preview the Selection

Answer the questions below as you read the selections from *Literacy in Action 6B*.

1. How might the lost object be found?

2. Is this most likely a true story or fiction? Why do you feel this way?

During Reading

1. Read pages 126 and 127, then answer the following questions:

a. What made the discovery of the astrolabe possible?

b. Edward thought the astrolabe might be valuable. Why would he and his father sell it?

c. Make a prediction about what will happen next.

2. Read **Fast Forward** on page 128 of **Literacy in Action 6B**, then answer the following questions:

a. Was your prediction accurate? What information on page 128 surprised you?

b. What is now known about the object Edward found?

c. How might the astrolabe have been lost? Make a prediction.

3. Read **Flashback 1613** on pages 128 and 129, then answer the following questions:

a. What important information was discovered about the astrolabe?

4. Read **Home at Last** on page 129, then answer the following questions:

a. Is this Champlain's astrolabe? Why do you feel this way?

b. What evidence is used to learn an object's story?
