

Unit 6

Name: _____

Date: _____

The Search for the Northwest Passage: Reflections after Reading

Now that you have completed *The Search for the Northwest Passage Graphic Organizer*, think about the strategies you used throughout the lesson and answer the following questions:

1. How did thinking about what you already know help you?

2. You thought about key words as you read. How did that help you decide what was important?

3. How did completing the **Graphic Organizer** help you organize the information you read?
