Date: _____

Radio Newscast Planner for the H.M.S. Sapphire

For your guidance, here is a completed *Radio Newscast Planner*.

5 Ws, H, and Details	Information
Introduction	This is Arjun Lafontaine of the CBD National News.
Lead <ul style="list-style-type: none">- main idea- answers the most important questions	<ul style="list-style-type: none">- watching the H.M.S. Sapphire, a 32-gun frigate, on fire, sinking (What is the main idea?)- September 11, 1696 (When did this happen?)- was protecting English fishing interests (What was the ship doing there?)- in Bay Bulls Harbour, south coast Newfoundland (Where did event take place?)
Body <ul style="list-style-type: none">- starts with most important information- ends with less important information- may include conversation	<ul style="list-style-type: none">- surrounded by French ships- captain abandoned ship and set it on fire rather than be captured- when I spoke to the captain he said he feels he made right decision- thought lives would be lost if there had been fighting (How did this event happen and what were additional details?)
Further Details Conclusion <ul style="list-style-type: none">- wraps everything up	<ul style="list-style-type: none">- French are taking over town- think cod fisheries belong to France- townspeople upset by being poorly defended- think they may be under French rule for long time (Conclusion)
Sound Effects	<ul style="list-style-type: none">- waves- people yelling- soldiers shouting orders- townspeople sounding angry
Last Line	This is Arjun Lafontaine, your on-the-spot reporter, at Bay Bulls, Newfoundland.
