

How to write an introductory opinion paragraph:

- Grab the reader's attention with a strong statement or a question.
- Summarize the different views on the topic.
- Then, state your opinion.

Here's an example:

*Should school uniforms be required? Some parents and educators say that uniforms help students focus on academics instead of fashion. Others believe that kids should have the freedom to choose what they wear to school. After considering both sides of the issue, I strongly believe that uniforms should not be required in school.*
