## Reader's Notebook: Planning a Poster

### Instructions

- 1 Complete the table below to help you plan your poster.

<b>Topic</b> What will the poster be about?	
<b>Title</b> List some possible titles. (Remember, your title should clearly tell your message.)  Put a star (*) by your final choice of title.	
<b>Images</b> What do you want to show on your poster?  What kinds of images would make your message stronger?  <b>Choose six images.</b> Scan your images separately and send them, or submit digital copies.	

- 2 Now, review your possible images and make choices.

- Which images are the most important to include?
- Which images don't really belong? Remove those that do not belong.

## Save Your File

Name your file in this format: **jsmith\_planningposter** and save your file to your **Documents** folder.
