Questions for Tricky Pictures

Write your responses to the questions below.

Before Reading

- 1 Provide three reasons that prove pictures on page 75 in **Literacy in Action** are not real.

Cats don't make those faces with their paws. Dogs can't ride motorcycles. Dogs would not keep goggles on their faces.

During Reading

- 2 What did you learn about how photos can be changed?

It is called photo manipulation. You can change the appearance digitally on the computer.

- 3 Why do people use digitally altered pictures?

To do advertising, to see disguises, alter people's appearance.

4 Do you think people should be allowed to change photos in advertisements or pictures?

Answers vary: No because it is not fair, or yes because it is not doing any harm if the subject agrees to it.
