Questions for From Cave to Computer

Write your responses to the questions below.

1   What item on the timeline was the most interesting to you? Explain what made it interesting.

2   What advances in how messages are delivered can you think of since the last time period on the timeline (2000)?

3   Can you think of a new way of communicating that has not been invented yet? What would it be? How would it work?

Save Your File

Name your file in this format: **jsmith_fromcavetocomputer** and save your file to your **Documents** folder.
