Summarizing Key Ideas

Selection:

_____

Summarizing helps readers identify and remember key ideas in a selection.
Readers can summarize ideas and information by:
● **identifying details that explain things**
● **re-reading and checking over the selection to find important parts**
● **connecting ideas to their own knowledge and thinking**
● **telling important facts in their own words**

Summarize the key ideas in this selection.

- In the first column, identify **details** that support the main idea.
- In the second column, write your **summary** of the main idea in the paragraph or section.
