Reader's Notebook: What I Did with My Coin Collection

Questions for **What I Did With My Coin Collection**

Complete the following:

As you read, visualize what is happening in the story. Pause and sketch the action taking place in four specific parts of the story.

Use stick figures to represent the characters of Tiger and his father. You can add speech bubbles to show what they may have been saying.

Draw or find images for each of the boxes. Either scan your images separately and send them or submit digital copies. Save this worksheet to your documents folder.

Each blank indicates the page where you should pause and sketch, as well as some words to help you think about what you just read.

Pause and sketch end of page 4.

Words: coin, coin collection, Tiger, Tiger's father, golf clubs

Your prediction:

What's going on in story: Tiger collected coins when he was five or six, favourite piece was twenty dollar Canadian gold piece. Tiger's father gave him his own set of golf clubs.

Pause and sketch end of page 5.

Words: Ethiopia, poor children, starving, TV, tricycle, lucky, tiger, Tiger's father

Your prediction:

Watching news with father about starving children in Ethiopia. Made Tiger reflect on his good life. Tiger's dad explained how lucky Tiger was and that these children did not have a choice how they lived.

Pause and sketch end of page 6.

Words: TV, books, golf clubs, Ethiopian kids, box of coins, Tiger, Tiger's father

Your Prediction:

Tiger went to his room. He looked at his coin collection and took his coin collection to his father. He asked his dad to send them to the starving kids in Africa to buy food for them.

Pause and sketch end of page 7.

Words: Share and care, coins, golf tournament, Nelson Mandela, Tiger, Tiger's father

Your Prediction:

Share and care is the special family saying. They are reminded to share and care every day. Tiger played golf in Africa when he was older to help raise money for people who needed help. He also met Nelson Mendela.
