Questions for Creating Visions

Write your responses to the questions below.

Before Reading

Read and respond to the following questions from the article.

1	How can your hands help you "see"?	
2	Based on the question and the picture, what do you think the article is about?	
3	What background knowledge do you have of this subject?	

During Reading

As you read through the article, think about these questions:

4	What pictures can you create in your mind about this girl and what she can do? Can you visualize yourself doing this?	
5	Sketch a picture of the girl in the article creating pottery with her hands or find a picture that shows this. Scan your image separately and send it or submit a digital copy.	

After Reading

This article is about a girl who learned to make pottery, even though she can see very little.

6	What surprised you when you read this article?	
7	In the last paragraph, the article talks about the other activities Molly does. How do you think Molly is able to do those activities?	

8	What message do you think the author wants you to get from this article? Why?
