

Unit 4

Name:

Date:

Wow – What a Record!

Before Reading

Answer the following questions before you read the selections:

1.	What kinds of records do people set?	Longest chain of people to hug each other, longest hot wheels track, youngest radio host, largest finger painting, tallest rideable bicycle
2.	What does the author want readers to think or do when they read this information? Explain your thinking.	To think about how people may achieve these records, why people would want to break these records, what records they may be able to set

During Reading

Answer the following questions after you have read the selections:

3.	Which record do you think would be the hardest to set? Why?	It would be difficult to ride the tallest bike because of a person's height. Creating the longest Hot Wheels track would be difficult because it is held together with 2150 connectors.
4.	Which record would be the most fun? Why?	Answers will vary.
5.	Why do people like to set records?	People like to see if they can make or break a record. They want to try something fun or different.
