Answers will vary.

2. The ogre says, "Just forty miles from here". Forty miles is a long way. Why does he say "Just" forty miles?

He has very long legs, so 40 miles is not very far.

3. Why do the waiters bring him so many pails of water, triple portions, and extra helpings?

He continues to be hungry, and they are afraid to make him mad.

4. He says, "I wolf down all they..." What does it mean to "wolf" something down?

It means to eat quickly in gulps. Like a wolf.

5. Why don't the other patrons complain?

They are too afraid to complain.

6. He thinks the waiters hate to see him go, appreciate his business, and never want him to pay. What is the real reason they treat him like that?

They are afraid of him and don't know what he might do to them.
