

Unit 5

Name:

Date:

Reader's Notebook: The Science of Snow Fun

Questions for The Science of Snow Fun

Write your responses to the questions below.

1 Why does Josh say the snowflakes **could** be marshmallows?

2 What colour are snowflakes?

3 How are snowflakes made?

4 Mandy wants to keep telling her friends about snowflakes. Make an inference: why don't the others want to listen?

5 Make a connection: which do you think is more fun – the science of snow or playing in snow?

Save Your File

Name your file in this format: **jsmith_thescienceofsnowfun** and save your file to your **Documents** folder.
