

# Unit 5

Name:

Date:

## Word Steps

### Instructions

- 1 Make a new word by adding one letter to the original word on the top line in each cell in the chart. The new letter can go at the beginning, middle, or end of the word. Two examples are provided for you to use as a guide.

pay	top	side	dip
play	stop		
----	----		
		-----	-----
lean	steam	dive	beak
-----	-----	-----	-----
sight	pan	tick	pin
-----	-----	-----	-----

lap	bought	fake	sale
<div> <div></div> <div></div> <div></div> <div></div> <div></div> </div>	<div> <div></div> <div></div> <div></div> <div></div> <div></div> <div></div> <div></div> </div>	<div> <div></div> <div></div> <div></div> <div></div> <div></div> </div>	<div> <div></div> <div></div> <div></div> <div></div> <div></div> </div>

2

Add one more level to these **Word Steps** by adding one more letter to the first word you created.

sit	ray	tap	sing
<div> <div>s</div> <div>i</div> <div>t</div> </div> <div> <div></div> <div></div> <div></div> <div></div> <div></div> </div>	<div> <div></div> <div></div> <div></div> <div></div> <div></div> </div>	<div> <div></div> <div></div> <div></div> <div></div> <div></div> </div>	<div> <div></div> <div></div> <div></div> <div></div> <div></div> </div>
<div> <div>s</div> <div>p</div> <div>i</div> <div>t</div> </div> <div> <div></div> <div></div> <div></div> <div></div> <div></div> </div>	<div> <div></div> <div></div> <div></div> <div></div> <div></div> </div>	<div> <div></div> <div></div> <div></div> <div></div> <div></div> </div>	<div> <div></div> <div></div> <div></div> <div></div> <div></div> </div>

- 3 Try inventing some word steps of your own. Then trade with a partner and solve each other's word steps.

## Save Your File

Name your file in this format: **jsmith\_wordsteps** and save your file to your **Documents** folder.
