```
graph TD; A[Amazing Places in Canada] --- B[Fun places]; A --- C[Museums]; A --- D[Parks]; B --- E[Calgary Stampede, Calgary, AB]; C --- F[Dinosaur Museum, Drumheller, AB]; D --- G[Stanley Park, Vancouver, BC]
```

## Directions:

- You will start with "Amazing Places in Canada" for your title.
- Next, enter and use the tab to indent to add a new category.
- Next, enter and use the tab key twice to add a place.
- When you have completed your entry, click on the bottom where it says, "Draw Mind Map".
- Your new entries will appear on your map.
- When you are done, click save, and enter your e-mail or parent's e-mail to save your work until you go back on it.
- When you are ready to hand it in, you can download and send the map to your teacher at the end of the unit.

Go to the tutorial for Mind Map if you get stuck for directions again.
