2. In Modules 4, 5, and 6, you were invited to create two items for your portfolio. Review your work, and select **one** piece that you're pleased with. Submit this item for evaluation. Here are some tips to help you with this assignment:

- Although much of your work in your portfolio will be in draft form, revise and edit your composition before submitting it.
- Label your work with your name, course number, and the number and letter of the portfolio item.
- The length of compositions is not stipulated in your portfolio suggestions. However, you should be sure that the polished work you submit for evaluation is of suitable length and includes sufficient detail.

The portfolio item will be evaluated according to the following criteria.
