

A bibliography is an alphabetical list of all the sources you have consulted for an essay or research paper. You must list your sources in a specific format. Use this guide to create your bibliography in the correct format.

Remember:

- Always underline the title of the work cited.
- Alphabetize by the author's last name.
- If there is no author, alphabetize by title.
- Always indent the second or third lines (5 spaces).
- Always leave 1 space after commas and 2 spaces after periods and colons.

Example:

- ✦ **book with one author:**
Robinson, Adam. What Smart Students Know. New York: Crown Paperbacks, 1993.
