Assignment II	50	
TOTAL	100	

Teacher's Comments:

Teacher

These instructions are for students registered with the Alberta Distance Learning Centre.

INSTRUCTIONS FOR SUBMITTING THIS DISTANCE LEARNING ASSIGNMENT BOOKLET

When you are registering for distance learning courses, you are expected to submit Assignment Booklets for correction regularly. Try to submit each Assignment Booklet as soon as you have completed it. Do not submit more than one Assignment Booklet in one subject at the same time. Before submitting your Assignment Booklet, please check the following:

- Are all the assignments completed? If not, explain why.
- Have you reread your work to ensure accuracy in spelling and details?
- Is the booklet cover filled out and the correct course label attached?

MAILING

1. Postage Regulations

Do **not** enclose letters with Assignment Booklets.

Send all letters in a separate envelope.

2. Postage Rates

Take your Assignment Booklet to the post office and have it weighed. Attach sufficient postage and seal the envelope. Assignment Booklets will travel faster if they are in large envelopes less than two centimetres thickness and have sufficient postage.

The Alberta Distance Learning Centre has an Internet site that you may find useful.
The address is as follows:

<http://www.adlc.ca>

The use of the Internet is optional. Exploring the electronic information superhighway can be educational and entertaining. However, be aware that these computer networks are not censored. Students may unintentionally or purposely find articles on the Internet that may be offensive or inappropriate. As well, the sources of information are not always cited and the content may not be accurate. Therefore, students may wish to confirm facts with a second source.

Assignment Booklet 11

Advice:

Your success on the assignment in this booklet will determine your mark for this module. Your answers give your teacher an indication of your understanding of the course.

- Before attempting to answer the assigned questions, please be sure you have read all the relevant course material and have completed the self-correcting activities in the module booklet.
- Proceed **slowly** and **carefully** through the assignments.
- If you encounter difficulties, review the pertinent section notes.
- If you are still having problems, please contact the course teacher at the Alberta Distance Learning Centre for assistance.
- The marks possible for each individual exercise are indicated.
- Good luck in your studies!

Warning:

- Failure to complete all questions and/or poor responses due to obvious lack of effort may result in your teacher returning the assignment booklet marked “incomplete.” No grading will be awarded until such exercises are completed to the teacher’s satisfaction.
- You are encouraged to discuss the various aspects of the course with others but all work submitted should be your own.
- If there is a large discrepancy between the assignment score and the final exam score, the teacher has the discretion to assign a final mark based solely on the examination results.

Our Pledge to You:

Everyone at the Alberta Distance Learning Centre is committed to helping you achieve your educational goals. We happily assist students who are sincere in their desire to learn. You may reach us by phone, fax, e-mail, voice mail, postal mail, or at an Alberta Distance Learning office.

Any journey consists of single steps; you have taken another by enrolling in this course. We want to help you successfully reach your destination.

**Value
50****Assignment I**

Choose either a or b.

- a. Create an original image which consists entirely of letters. Use a computer or other digital tool. (See page 116 and 117 for examples).

OR

- b. Create a collage. Find different textures and create a well balanced picture/design.

**Value
50****Assignment II**

Choose either c or d.

- c. Create a technical drawing on a piece of art paper the size of this page. Use pen and ink, ball point pen or a very fine-tipped felt pen.

A compass, ruler, set squares and templates must be used for this technical drawing. Avoid the use of free-hand lines.

You may choose from following ideas:

- a space fantasy
- a mechanical bird, flower or person/robot
- a futuristic city in the sky
- an underwater fish hatchery

OR

- d. Use a computer or related digital program, to create an original graphic design. Use simple shapes to fill the entire space. You may submit a printout of your computer created artwork, or submit the original digital image.

Mailing Instructions

Place the sticky label for Lesson 11 on the coloured lesson record form. Send your Assignments together with the lesson record form in a lesson envelope.
