

Answer the following interview questions.

You can share your answers in a number of ways:

- by videoing yourself using your phone, computer, camera etc., or
- any other format that you wish as approved by your teacher

Question 1: Employer: “Tell me about yourself. What attributes and skills do you have that make you the ideal candidate for this job?”

(Interview Tip: Make sure you talk about skills that are specific to the job for which you are applying.)

Question 2: Employer: “What do you feel is your greatest weakness?”

(Interview Tip: When talking about a weakness talk either about a skill that isn’t essential to the job or something was a weakness but that you have worked hard to improve.)

Question 3: Employer: “Tell me about a time that you encountered conflict with another person. How did you deal with the situation?”

(Interview Tip: When you are answering this question discuss a situation where you did not cause the conflict and make sure you discuss how you resolved it.

Question 4: Employer: “Do you prefer to work independently or on a team?”

(Interview Tip: When you are answering this question talk about times when you have excelled at working both independently and as a team. You do not want to say that you don’t like to do either of them.)

Question 5: Employer: “Do you have any questions that you would like to ask?”

(Interview Tip: This is where your research becomes important! When answering this question ask questions pertaining specifically to the position that show you are interested in advancing within the company.)
