<b>Assessment</b> 	<p><b>Areas of strength:</b> Hi, Rose! You have presented several ideas here that your future self should find interesting. Good work! I have not heard of the graphic novel you are reading, but now that you've mentioned it, I might look for it!</p> <p><b>Might I suggest:</b> I'd like to see you look at developing your ideas in greater detail. For example, you say that you like that comics are being made into movies. It might be neat to share which ones are your favourites. Also, do be careful with your proofreading. You may want to ask a friend to help review your work. Reading your work out loud might help, too.</p>
