

## **4.1 Visual Technique - Creating Connections**

(Page 1/3)

Digitally reproduce your coloured frame # 1 in the space below. Your work will be evaluated for significant frame choice, meaningful colour choices, and presentation (neatness). Give the page number reference in brackets beneath the frame in the usual format. For example: (p. 2)

Fully explain your reasons for your colour choices for this frame. Give the symbolic meaning for each of your colors.

Digitally reproduce your coloured frame # 2 in the space below. Your work will be evaluated for significant frame choice, meaningful colour choices, and presentation (neatness). Give the page number reference in brackets beneath the frame in the usual format. For example: (p. 2)

Fully explain your reasons for your colour choices for this frame. Give the symbolic meaning for each of your colors.

Write a well developed paragraph that addresses the power of visual communication. In your paragraph, you will address the following:

- What is the main message of each of your two enhanced frames?
- Explain how your addition of colours has added to the overall effectiveness of visual message for each frame.
- Create a general theme statement for this graphic novel, that is supported by the messages of your two chosen frames.

Remember that a well developed paragraph always requires a strong topic sentence, at least 3 supporting sentences, and a closing sentence.
