

FAS1060 Creating Accessories

Assignment 1 Accessory Presentation

Name: < >

Date: < >

Total:

/32 Marks

Instructions

- Create a digital presentation on the themes of accessories.
- Make certain you cover both Personal Accessories and Home Fashion Accessories in your presentation.
- Choose pictures of accessories, colours, and textures which reflect your personal design preferences.
- This presentation should reflect your choices in design in both of the following areas.

1. Personal Fashion Accessories <ul style="list-style-type: none"> • clothing • footwear • jewelry • accessories 	2. Home Fashion Accessories <ul style="list-style-type: none"> • drapery • curtains • furniture • placemats • wall hangings • bedding
---	--

Presentation will be marked as follows (see Presentation Rubric in the course for descriptions of each category).

Room Design and Artistic Décor

- To get ideas for décor, look through pattern catalogues, home decorating magazines, fashion magazines, etc. Visit stores that specialize in home or fashion items. Gather your ideas.
- Sketch or collect pictures and swatches of your favorite colors, fabrics, and textures. Sketches and samples can be photographed and inserted into your digital presentation.
- Creatively present your findings in a digital presentation format such as a Google Slides or PowerPoint.
- Divide the presentation into two sections: Personal Fashion Accessories and Home Fashion Accessories.
- Add captions to explain your choices and comment briefly on each section. Students will be marked as indicated above.
- Save the assignment to your computer as **FirstInitialLastNameFAS1060A1**.
- Submit as Assignment 1.
