

SCIENCE 7 UNIT A MATERIALS BY LESSON

SECTION A1

Lesson A2

- ☐ air-tight glass container (such as a mason jar)
- ☐ clean sand or gravel
- ☐ activated charcoal (You can get this from a pet store.)
- ☐ soil (Cactus soil is best because it is quite gravelly.)
- ☐ plants (Small slow-growing plants and mosses are best.)
- ☐ decorative items (such as various colours and shapes of small rocks)
- ☐ water

SECTION A2

Lesson A5

- ☐ energy pyramid template
- ☐ pencil
- ☐ sheet of paper

SECTION A3

Lesson A7

- ☐ medium-sized bowl
- ☐ dried beans (about one or two cupfuls; DO NOT count the beans)
- ☐ small paper or plastic cup
- ☐ a marker pen
- ☐ paper and pencil
- ☐ ruler
