

SOCIAL STUDIES 9 UNIT 2: SECTION 1

Justice Activity

Compare the *Youth Criminal Justice Act* and the Criminal Code of Canada by completing the Venn diagram below. Identify similarities and differences of the acts. Aspects of the YCJA that are different should be in the circle on the left. Aspects of the criminal code that are different should be in the circle on the right. Similarities between the acts should be in the overlapping area in the middle.

Type your responses between the blue brackets provided.

Be sure to identify **five** key differences and **one** key similarity of the two laws.

Place your completed Venn diagram into your **Activities** folder.
