

SOCIAL STUDIES 9 UNIT 5: SECTION 1

Meeting the Public Good

Consider what social issue each image in the chart is portraying. Place your ideas in the form of an issue statement in the **first** column under the heading “Issue”.

How might someone who believes in achieving the public good through co-operation of all society solve the issue? Place your thoughts into the **middle** column.

How might someone who believes in achieving the public good through the individual knowing best solve the issue? Place your thoughts into the **right-hand** column.

The columns for the first photograph have been completed as an example.
