

## How to find feedback in Moodle Quizzes

You can look at your assignments once they have been completed. The marker will give you feedback to show you where you went wrong. To look at your assignments you will need to go to that specific quiz in your table of contents.

Click on the quiz, and you will see your quiz attempt listed. Click on the review link found on the right hand side of the page

Grading method: Highest grade

Summary of your previous attempts

This will take you to your marked assignment. The feedback is colour coded for you. Looking in the left hand corner, a green box with a thick bar on the bottom means you have gotten the question right, a red box with a thick bar on top means you got it wrong, and a yellow box means you received partial marks.

Scrolling through your quiz, or selecting the questions you lost marks on will so you the feedback that has been provided to you. You may also see overall feedback at the top of the page.

The screenshot displays a quiz interface. On the left, a sidebar for 'Question 3' shows it is 'Partially correct' with a 'Mark 1.00 out of 3.00' and a 'Flag question' button. A red arrow points from the text 'marks received' to the 'Flag question' button. The main area has a light blue header with the text 'With matching questions, students must match certain terms together, like so:'. Below this is a matching table with three rows: 'green' matched with 'leaves' (correct, green background, green checkmark), 'yellow' matched with 'roses' (incorrect, pink background, red X), and 'red' matched with 'bananas' (incorrect, pink background, red X). A red arrow points from the text 'Feedback provided' to the table. The bottom section is a yellow box containing the feedback: 'Your answer is partially correct.', 'You have correctly selected 1.', and 'The correct answer is: green – leaves, yellow – bananas, red – roses'.

Color	Item	Status
green	leaves	Correct
yellow	roses	Incorrect
red	bananas	Incorrect

Feedback provided

Your answer is partially correct.  
You have correctly selected 1.  
The correct answer is: green – leaves, yellow – bananas, red – roses
