

Name: _____

Answer the following questions in a sentence or two for each one.

(Bun) Introduction: What career have you researched?	
(Patty) Supporting detail #1: What are the duties of this career?	
(Lettuce) Supporting detail #2: What are the working conditions you can expect?	
(Tomato) Supporting detail #3: What personal characteristics are important to do this job?	
(Sauce) Supporting detail #4: What are the educational requirements for this career? (What courses do you need, and where do you go to school?)	
(Cheese) Supporting detail #5: What other information did you find out about your chosen career? (E.g., Where in your province could you work in this career? What kind of wage or salary could you expect in this career?)	
(Bun) Conclusion: State the name of your career goal again and why you have an interest in it.
