

## SS 8 Chapter 1 Assessment, Option 1

Complete the chart below by doing the following:

- In the second column, identify the change(s) that occurred as a result of each factor.
- In the third column, describe the effect(s) on Renaissance society. (How were people's lives changing?)

Type your responses between the blue brackets provided.

| Factors influencing change in Renaissance society     | What changed or occurred? | What effects did this have on Renaissance society? |
|---|---------------------------|--|
| Black Death   | < >                       | < >  |
| Changing attitudes of personal worth* or self-worth** | < >                       | < >  |
| Increase in wealth                                    | < >                       | < >  |
| Rise of the towns                                     | < >                       | < >  |
| Religious beliefs                                     | < >                       | < >  |

\* Personal worth is the value of all of a person's money and possessions. (from [www.merriam-webster.com](http://www.merriam-webster.com)).

\*\* Self-worth is the opinion you have about yourself and the value you place on yourself. An example of self-worth is your belief that you are a good person who deserves good things or your belief that you are a bad person who deserves bad things. (from [www.yourdictionary.com](http://www.yourdictionary.com))
