

Unit 1: Section 1: Classroom Chemistry Checklist

Essential Question: What is chemistry?

Section 1: What are the properties of solids, liquids, and gases?

Lesson 1

- Pre-Assessment Unit 1
- Activity 1: Try This
- Activity 2: Changing States
- Activity 3: Floating Paper Clips
- Activity 4: Milk Rainbow
- Activity 5: Just Add Water
- Self-Checks 1, 2, 3, 4
- Exit Pass Lesson 1

Lesson 2

- Activity 6: Kinds of Mixtures
- Activity 7: Mix Maker
- Self-Checks 1, 2
- Exit Pass Lesson 2

Lesson 3

- Activity 8: Separating Heterogeneous Mixtures
- Activity 9: Hold the Salt
- Activity 10: Crystal Candy
- Assessment 1-1: Solutions and Mixtures
- Self-Checks 1, 2, 3
- Exit Pass Lesson 3
- Self-Assessment: What are the properties of solids, liquids, and gases?
