

Exit Pass: Lesson 5

Preparing for the Weather

Complete the following.

Questions

1. You are studying a weather map and notice it has both large letters "H" and "L". What do these letters mean?

2. You turn on the television only to catch the very end of a weather forecast. The forecaster warns that a weather front is moving into the area, and everyone should dress in layers and warm boots. Explain what type of weather front is probably moving into the area.

3. What is the difference between frostbite and hypothermia?
