

## Pre-Assessment Unit 4: Wetlands Ecosystems

What do I already know about wetland ecosystems?

Complete the Frayer Model by answering these questions.

|   |  |
|---|--|
| Write a definition for wetlands. What are they? | Describe what a wetland is like. Where do you find wetlands? What do they look like? What kind of plants and animals might you find there? |
|   |  |
| <b>Wetlands Ecosystems</b>                      |  |
| Write examples of wetlands.                     | Write non-examples of wetlands.  |
|   |  |
